

18 October 1954

MEMORANDUM FOR: Deputy Director (Intelligence)
SUBJECT: Proposed Regulation No. 50-200

1. A memorandum from the Chief, Security Control Staff/SO, received this date, states that the Security Office is currently conducting a survey of methods and procedures presently in use affecting the dissemination and distribution of sensitive material. The memorandum states further, that results of the survey are expected to affect their position with respect to R 50-200, and that the target date for its completion is 5 November 1954, after which the Security Office will submit their comments.

2. This Staff is adjusting its suspense dates to reflect the above information.
